Dear Neil Gerrard

Please find attached a letter that many of my neighbours and I, who live on Edward Road have sent in regards to the proposed plans of the new site for Willowfield Secondary School on the Douglas Eyre Playing Field in Blackhorse Road. As you may know, the deadline for public consultation is on the 31<sup>st</sup> July.

I would be very grateful if you could inform me of your views on this proposal, as many of us feel that it is not well thought-through in terms of traffic congestion, noise or safety. Also, it is surprising, to say the least, that green belt land would be considered for building upon, when there is a suitable brownfield site on the other side of Forest Road, with much better access.

Edward Road, in my opinion, is one of the most peaceful and residentially friendly areas of Walthamstow, and it is with grave concern that my neighbours and I write, and hope that you will feel able to join us in opposing these plans.

I look forward to hearing from you.

Yours sincerely

**Rhian Medi Roberts (Ms)**
